

GOLDWING GL 1500 – CLASSIC TOURING BIKE

<http://www.kbb.com/motorcycle/retail/1989/honda/gl1500-goldwing/69440>

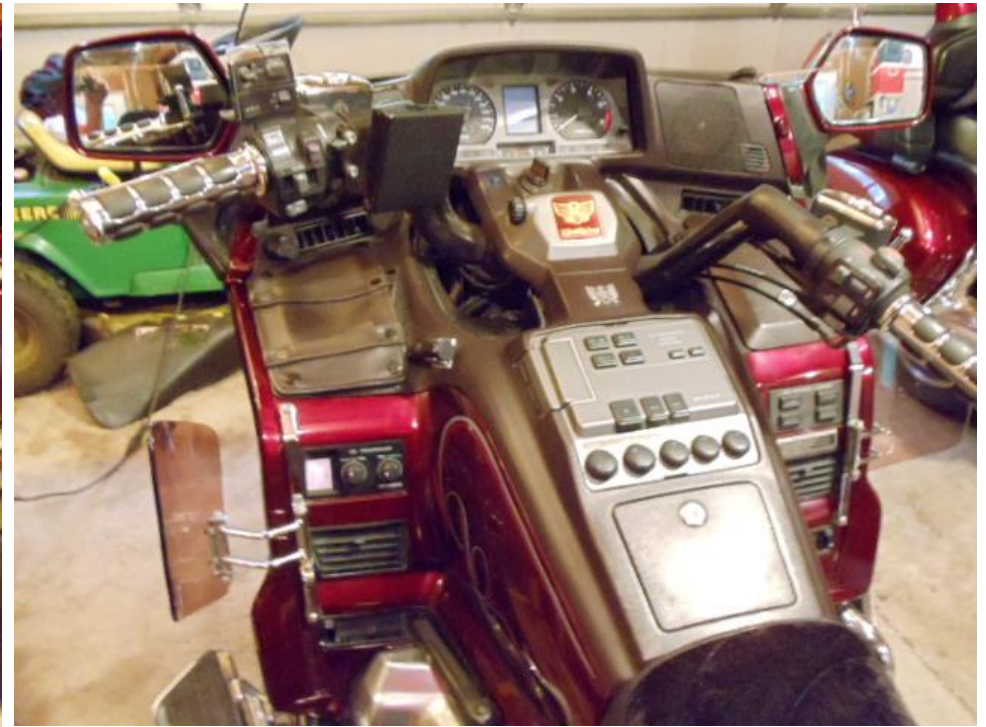

Kelly Blue Book: basic bike \$ 4,555; plus, over \$ 7,000 in upgrades; Make Offer

Reverse; CB, FM, AM, Intercom, Cassette Radios; almost new Hartco Custom seat; Progressive front forks, Compu fire alternator with gel battery; too much to list here. Perfect mechanical condition. Excellent cosmetic condition. Never down, Garage kept, just completed a 3,000 mile vacation trip. Can cruise at 70 mph comfortably for 10 hour riding days. Just adopted an 1800, and now it is time to

Call Jack at (315) 339-2452 or email bisgrove@twcny.rr.com for pictures and details about this great show condition bike.

It is an older bike, 1989 with nearly 98,000 miles, but kept in showroom condition, never ridden after the first snow in the fall, or before the first heavy rains of the spring. Over 80 percent of its miles are from touring. As a garage kept bike, it has only been ridden in the rain when a good riding day turns sour. The oil was changed every 3,000 miles plus or minus and it has a K&N air filter. The reflectors on the saddlebags, trunk and fairing were all upgraded to running and turn lights. It has a chrome trailer hitch and pulled an ultra lightweight escapade trailer - the trailer looks great behind my new ride and is not for sale. This bike has never been damaged, cosmetically or mechanically.
